The advertisement features a background image of a business meeting with a handshake over a desk with a laptop and coffee. On the left is a circular gold seal with the Meritz logo and '1억 원' (100 million won) in the center. The Meritz logo includes the text 'MERITZ 메리츠화재'. The seal is surrounded by the text '생산물배상책임보험' (Production Liability Insurance) and three stars. In the top right corner is the 'STELLON' logo. The main text reads '든든하니까! 믿고 구입하세요!!' (Trustworthy, so buy with confidence!!). Below this, it says '이지엠테크 메리츠화재 생산물배상 책임보험 서비스 가입' (EZM Tech Meritz Production Liability Insurance Service Enrollment). At the bottom, a smaller text states: '이지엠테크는 메리츠화재 생산물배상책임 보험에 가입되어 문제가 생길시 1억 원 한도내에서 보상해드립니다' (EZM Tech is enrolled in Meritz Production Liability Insurance and will compensate up to 100 million won in the event of a problem).
